TO : Whom It May Concern,

I have known and closely worked with Debbye Lopez for about one and a half year. She did her internship for Master in Marriage and Family Therapy with us. Mrs. Lopez continues to work with us as clinical counselor. She has excelled in both roles, as she exhibiting a high standard of clinical knowledge and skills as well as following rules and regulations. Mrs. Lopez is a self-initiative, independent, reliable and able to create a safety and pleasant work environment, while consistently maintaining high standards for quality and accuracy.

Debbye Lopez possesses the ultimate "can do" attitude while taking on all tasks with a positive energy and a smile.

Her upbeat personality and engaging personal style enable her to interact effectively with clients and staff. She is very well organized and keeps track of the details necessary to ensure the operation of clinical program runs smoothly.

Proactive in anticipating rising in the clients and employees' and clients' needs, she takes initiative to go beyond the expected parameters of her job.

All the intangibles that lead to success in the workplace are in order with Mrs. Lopez. There will be no unpleasant surprises and I am confident she will fit in your agency.

I volunteered to write this recommendation for Debbye Lopez because I am very grateful for her contributions to our clinical office and very confident that she has the intelligence, work ethic, and communications skills to add value wherever she works.

Please feel free to contact me if you have any questions at 407-496-5353 .

Sincerely,

Dr. Danilo Polanco
